## **Record of teaching achievements**

Name of doctoral student:	Time of thesis:	to
Transferable skills:	Course co-supervision:	Thesis co-supervision:
The following tasks were collectively carried out:	<ul> <li>developing course experiments and scripts</li> </ul>	project and experiment design
	<ul> <li>organizing course materials</li> </ul>	<ul> <li>instructing lab work and experiment execution</li> </ul>
	<ul> <li>teaching theoretical background, tutoring</li> </ul>	<ul> <li>teaching standards of good scientific practice</li> </ul>
	<ul> <li>instructing experiment execution</li> </ul>	<ul> <li>training student's presentation skills</li> </ul>
	<ul> <li>discussing experimental results</li> </ul>	<ul> <li>supporting student in thesis writing</li> </ul>
	<ul> <li>evaluating student protocols</li> </ul>	<ul> <li>assisting in final examinations</li> </ul>
	<ul> <li>mentoring international students in English</li> </ul>	Other:
	Other:	
Co-supervised thoses and internshins:		

## Co-supervised theses and internships:

Semester, year	Co-supervised thesis / Internship	Thesis or Internship	BSc or MSc level	Language (de / en)	Duration (months)	Date and signature of thesis supervisor

Record of co-supervised student courses: (\*course list available at www.campus.uni-freiburg.de [↗], Studies offered ⇒ course catalogue [↗] ⇒ Faculty of Biology)

Semester, year	Course type* (GM, PM, VM, OM, SP1/2, WM) & number	Course title	BSc or MSc level	Number of participants	Language (de / en)	Workload (hrs.)	Date and signature of course supervisor

## **Example:** Record of teaching achievements
